

SERVICE & WARRANTY REQUEST FORM

IMPORTANT INFORMATION

Read the following instructions thoroughly to ensure effective handling and to avoid unnecessary costs.

Before you send anything in for repair, please make sure you have done the following:

- ◆ Read through the instructions manual and see if you can solve your problem by using the "Troubleshooting" section.
- ◆ If applicable and possible, update your unit with the latest available system software (firmware).

If neither the manual nor firmware update solves your problem, please feel free to contact our service hotline at +46 (0)300 50910 or send us an email at service@bergsala.se.

If we cannot help you via e-mail or phone we will ask of you to send us the defective unit.

The procedure in case you need to send your unit to us

- ◆ Make a copy of your receipt and attach it to the unit.
- ◆ If you don't have a receipt or the damage isn't covered by the warranty you can send your unit to us and have it repaired for a cost. *If possible we will leave a preliminary cost based on your error description.*
- ◆ If the problem is covered by warranty you should primarily ask the retailer who sold you the unit for help. It is also possible for you to send the defective unit to us directly on the following address (only send traceable):
Bergsala Service Center
Marios gata 23
434 37 Kungsbacka
- ◆ Fill out the following form digitally and print it, or print it and fill it out by hand. This document can be found here: www.bgroup-files.com/images/garanti/garanti_en.pdf
